

HealthPATH

Department Passport

During your internship at Highland Hospital, you will work with many different people and learn about several health career opportunities. To help guide this experience you are required to complete a passport, which includes some reflective questions, as well as an interview you will conduct with a mentor of your choice. Passports are due the **last day** of each rotation.

Student Name: _____ **Rotation:** #1 #2 #3 (Circle one)

Department: _____

I. DEPARTMENT BASICS:

A. Name some patient health conditions this department frequently addresses.

| | |
|----|----|
| 1. | 3. |

IV. HEALTH CAREER INTERVIEW

Instructions: Choose an employee in the department to interview whose job is of interest to you, or to whom you feel a connection and want to learn more about his/her career and educational pathway. You should ask the questions and write down a summary of the answer (don't worry about writing down every word the person says and do not ask the employee to fill out this form.) Remember to utilize AIDET and professional communication during the interview.

Interviewee (Name of person you are interviewing): _____

Position title: _____

1. What is your occupation? Do you specialize in certain areas?

2. What degree is required for your occupation (e.g. associate, bachelors, master's, doctorate) and in what subject? What is the educational pathway after high school for this occupation?

3. What are the responsibilities of your position in this department?
